Fundraising is Always an Option!

Is your budget feeling tight these days? Never fear, Big Statues is here to help. If you or your organization do not have the necessary means to pay for your project in full, you can always raise the money to cover the complete cost. Let's say your dream is to have a $25,000 value statue. If 10 donors each contribute $2,500 or if 20 donors each contribute $1,250 you will have raised the necessary means for your project.

For a quick and easy way to manage these donations, Big Statues has created our very own donation page through the amazing online and social networking company of Piryx, famous for helping countless non-profit groups, charities, clubs, sports teams, and schools around the world. To start raising money for your project today, just visit

and send the link to any and all that can help. People can visit the site to make their own donations or easily pass along the link to other friends using Piryx's social media tools.

Or try Bands for Freedom by following this link at **http://bandsforfreedom.org** , where you can get a discount on the fund-raising wristbands if you mention Big Statues. It's simple, fast, efficient, and a great way to raise money for your project while helping to build community relations and interest for your cause.

For further breakdown of how you can personalize your donations, just follow these simple steps to give back to your donors part of the living legacy of your magnificent bronze masterpiece:

- First, Big Statues will create multiple limited edition 12-15 inch maquettes or miniature replica statues of your completed design. You can purchase these model statues, cast in fiberglass resin, at the wholesale price of $150.00 each.
- Next you will search for potential donors interested in funding your project.
- If each donor donates at least $250.00, they will receive one of these maquettes.
- If any of these donors donate $5,000.00 or more, they will be able to receive an actual bronze copy of the maquette, which will then be available to you for the wholesale price of $1,500.00.
- If you sell 10 $250.00 maquettes each month for 10 months and 4 $5,000.00 bronze copies total, you will have raised enough money to fund your $25,000.00 project.
